'A wild, passionate, fearless writer'
New York Times
'Vivid and entertaining - this is history,
as it plays upon the emotions.
Empires crumble, hearts are broken'
Kate Saunders, The Times

At the end of the nineteenth century China is rocked by foreign attacks and local rebellions. The only constant is the power wielded by one woman, Tzu Hsi, also known as Empress Orchid, who must face the perilous condition of her empire. Anchee Min brings to life one of the most important figures in Chinese history, a very human leader who sacrifices all she has to protect both those she loves and her doomed empire.
